MOUNTAIN STATE SPORTSMEN'S ASSOCIATION WAIVER AND RELEASE OF LIABILITY - Read Before Signing

In consideration of being allowed to participate in Mountain State Sportsmen's Association (MSSA) events and activities, the undersigned acknowledges, appreciates, and agrees that:

- 1) The risk of injury from firearm use, archery and other known and unknown events and activities and /or the use of the related buildings, structures, equipment, automobiles, firearms, weapons, ATV's, boats, tree stands, roads, bodies of water, land and all other real and personal property whether owned by MSSA or others is significant, including the potential for permanent paralysis and death, and while particular rules, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist; and,
- 2) I acknowledge and agree that the use of archery equipment, firearms and other weapons by myself or others on club premises or otherwise are inherently dangerous and high risk activities whether such archery equipment, firearms or weapons are discharged by myself or others; and
- 3) I KNOWINGLY AND FREELY ASSUME ALL SUCH RISKS, both known and unknown, EVEN IF ARISING FROM THE NEGLIGENCE OF THE RELEASEES or others, and assume full responsibility for my participation and for my guest's participation; and,
- 4) I willingly agree to comply with the stated and customary terms and conditions for participation. If, however, I observe any unusual significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of the nearest official immediately; and,
- 5) I, for myself and on behalf of my heirs, assigns, personal representatives, and next of kin, HEREBY RELEASE AND HOLD HARMLESS MOUNTAIN STATE SPORTSMEN'S ASSOCIATION, its officers, directors, officials, agents, employees, volunteers, members, guests, other participants, sponsoring agencies, sponsors, advertisers, and if applicable, owners and lessors of real property and personal property used to conduct the events and activities ("RELEASEES"), WITH RESPECT TO ANY AND ALL INJURY, DISABILITY, DEATH, or loss or damage to person or property, WHETHER ARISING FROM THE NEGLIGENCE OF THE RELEASEES OR OTHERWISE, TO THE FULLEST EXTENT PERMITTED BY LAW.

I HAVE READ THIS RELEASE OF LIABILITY AND ASSUMPTION OF RISK AGREEMENT, FULLY UNDERSTAND ITS TERMS, UNDERSTAND THAT I HAVE GIVEN UP SUBSTANTIAL RIGHTS BY SIGNING IT, AND SIGN IT FREELY AND VOLUNTARILY WITHOUT ANY INDUCEMENT.

Mountain State Sportsmen's Association - MSSA Information and Rules

Keep this page for your records.

Ranges Information - Mountain State Sportsmen's Association club has a sheltered bench outdoor range. The 100yd range has 14 concrete top benches with some permanent target holder frames and backers. Personal target frames may be used but must be removed prior to the user leaving the range. Any caliber pellet, rimfire, centerfire, muzzleloader handguns, rifles, and shotguns may be used. The range is open for personal use on a first come basis, except for those times that club meetings and/or events are scheduled. If you plan to use the facilities, check the club website at mtstate.org or social media. Any event that uses club facilities must have prior approval by club membership. The range is open for use as posted at the range.

Archery Information - All club archery targets are to be shot only with field tip arrows. Do not shoot broad head arrows into any club target. Broad head arrows are to be shot into the sand pit near the creek or at your own target set in front of the sand pit. Crossbow bolts are to only be shot at your own target set up on the 100 yd. gun range (must follow gun safety rules). We have a 20 yd. indoor archery range with up to eight shooting positions. There are two NFAA approved field archery ranges on club property (field tip arrows only). The first range starts behind left side of the clubhouse and works over to and up the access road. There are signs leading to the second range and it finishes on the hill with access paths back to the clubhouse. The club uses the bottom land to put on America Round shoots and the bottom may be used for archery practice in a safe manner. We often have a spring or fall 3-D shoot and place 3-D targets throughout the field ranges for a short time. The archery committee may set up a practice 3-D range with old targets through the warmer months.

Firearm Range/Safety Rules - It is your responsibility to familiarize yourself with all current range and safety rules. You and your guests are responsible for following all rules while using club facilities. Rules may be amended as needed at any time. Updates will be posted to MSSA social media and website

- No drugs or controlled substances are allowed on MSSA property.
- No person may handle any firearm or bow while under the influence of any drug or alcohol.
- No fully automatic or selective fire weapons.
- No military training of any kind except for DNR or other law enforcement agency when approved by the Board of Directors.
- Eye and ear protection should be worn at all times while on or near the firing line during the use of firearms.
- No glass objects are to be used as targets on any range, rifle or bow.
- The range target frames use wood (2x4's) for attaching target backers. When placing your target on a framed target backer place targets far enough away from the wood frame to prevent shooting through the wood.
- No targets with "people like" features (face, eyes, or head) are allowed. Standard silhouette targets (NRA, IDPA and etc.) only are allowed.
- Follow all legal transportation methods when travelling to and from the facilities..
- Never leave the firing line unless your firearm is clear and the action is open.
- If you or another shooter has a need to go down range, it is the responsibility of that shooter to make sure everyone on the firing line is aware and has made their firearm safe before anyone proceeds down range, all ammunition must be removed from the firearms, this includes chambers, clips, magazines, and tubes on tube fed firearms.No one shall handle or have a firearm on the firing line while someone is down range.
- Never load a firearm until you are ready to commence shooting from the firing line/bench.
- Always treat all firearms as though they are loaded. Inserting bolts, closing actions, loading, unloading, and reloading of ammunition must be done on the firing line, with muzzle pointed down range.
- Never shoot across or at angle on range (example from bench 10 to target for bench 2).
- Place your target so the bullet will hit in a safe area down range around the 100yd target zone or closer. Never shoot into the hill above the level of the 100yd target area or along the right side embankment or left side tree line of the range.
- When you are finished shooting and before you leave the range, clean up any debris, such as card board, targets, cleaning materials, ammo boxes, empty casings, etc and place them in the proper containers. Never leave unfired ammunition on the range, pick it up and safely dispose.

The Mountain State Sportsmen's Association (MSSA) started with a meeting in the fall of 1940 held in the old YMCA building on 8th Street. From this meeting the group incorporated on March 28, 1946 as a non-profit corporation. The club finally ended up at our Hoagland Run Road location in the 60's and a fund drive for a new clubhouse in 1966. On Sunday, September 22, 1968 we dedicated the new clubhouse.

Membership in MSSA includes spouses and children under 18. New members are required to wear their membership card for the first year. Members must be 21 years old or older to have guests. Guests are limited to two visits and should consider joining the club if they want to participate on a regular basis. To join, bring a completed MSSA application to a regular meeting (1st and 3rd Tuesday at 7:00pm [come a little early]). You must attend 2 meetings and be voted on at your 2nd meeting.

The club grounds are approximately 40 acres and are bounded by airport property and neighboring property. The clubhouse has an indoor archery range. We have an outdoor 100 yd. gun range, two field archery ranges, and including hunting by members. Except for scheduled events and reserved times, the facilities are available for use on a first come basis. Do not use the kitchen to work on or store equipment. Please pick up trash and keep club property neat and clean. From time to time, the club has work parties that offer a good opportunity to meet others and improve our facilities. The clubhouse is used for meetings, dinners, scheduled events, and indoor programs. Check the web site (www.mtstate.org) and social media for other events.
